Note:

1. Japanese Yen (JPY) rate is for 100 units of JPY.

2. The card rates are applicable for forex transactions up to USD 25,000 or equivalent. For any further queries, instructions, or preferential rate above this value, customers may contact forex handling branch or their Relationship Manager.

3. Card rates are indicative and subject to change, based on market volatility. The final rate applicable will be the card rate prevailing at the time of debit/credit to customer account.

4. Card rates are for foreign currency conversion to INR.

5. MYR currency is subject to market availability and regulations prevailing at the time of the transaction.

6. TT refers to Telegraphic transfer, offered for both buy and sell transactions.

7. If the date displayed on the page does not match current date, please contact your nearest branch for updated rates.

8. Click here to check the forex card rates offered to ADII/FFMC for Currency Notes

9. Information related to exchange rates, charges, documentation requirements and other applicable terms and conditions for cross-border foreign exchange transactions and services of member banks is available on the website of the Foreign Exchange Dealers' Association of India (FEDAI). Customers may access the relevant information through the Member Banks Information Hub on FEDAI's website.
